Introduction

This book is based on real life events. It begins in a dramatic enough fashion with Chetan Bhagat. It is mix of cricket, religion, business love and friendship. "The three mistakes of my life is written simply and has the quality that makes one want read the book Cover to cover in one setting.

Chetan Bhagat's novels is the fact that he writes about Indians and for India. His characters are young ambitious and passionate and. have the same moral, social and religious dilemmas as many of young Indians today. This book gives a clear picture about the consequence. of communalism and I feel that having a secular feeling is very important in an individuals way of thinking because one cannot always fight fire with fire. Youth of India are already facing a sorrows and big problem of unemployment Chetan Bhagat's novel The Three Mistakes of my life is a representation of modern culture and modern people. There is a Story of three friends Govind Patel, Ishaan and omi The narrator ay Sensational story is Govind himself. The three friends have occupied with different life style Govind is more preoccupied with business. Ishaan has passion of cricket while om is more concerned with

religion because of his parent's attachment with the city temple business Cricket, and religion seem to govern the life of three growing people. Govind is a man of strong outlook. Now he is ready to set up his own business.

He projected himself to be less emotional and more practical in his life. He has something different views regarding emotionalism. Govind is the protagonist of the novel. All of them have their ambition. They were young they have to achieve many things. In this way the presentation. Chetan Bhagat seems Original. There are some real incidents. These portrayals give unique blends the social political motive with psychological realism in a brilliant way of Story telling

Conclusion

India has undertaken an appreciable journey on the road of growth and development since the day of freedom but Indian attitude as the attitude of the inhuman kind needs to be changed very seriously, as Indians are very easily driven by emotions and not by practical thoughts. This book covers their individual struggle achieve goals is strong attachment of love which wins them through all odds.

Youth is the essential focus Chetan Bhagat's books. The youthful period has its dreams streak with the light emissions and also injured with the tales of disappointments of achievement and shortcoming. against the framework. Chetan Bhagat has tried to expose the problems of youth through "The Three mistakes of my life". Whatever the problems are we face in our life, apart from that. Is a will 'there is a way? where there policy should be applied in one day to. -day life. Hence problems can be minimized or maximized but fun and madness and crazyness of youngsters cannot be defined in words
